

Milford 4th Saturday Hike – April 27, 2013

9:00 to 11:00

April 27th, the Milford Conservation Commission's 4th Saturday hike will feature a hike of Mayflower Hill Town Forest continuing on to Patch Hill and into Amherst.

Mayflower Hill is an easy, pleasant walk, close to downtown. In early 2010 a new trail, leaving Mayflower Hill, heading north up Patch Hill and into Amherst, was completed. Mayflower Town Forest is a small gem just north of the Milford Oval. It includes many natural features of interest, great views, and evidence of historic winter quarrying.

The Patch Hill trail will provide views of a beautiful babbling brook, vernal pools, as well as some historic granite quarrying sites and granite grout piles.

The hike begins at 9:00 am at the Shady Lane Parking area. From the downtown Oval in Milford, continue on Rt 13 N. Turn left onto Myrtle Street just after RiteAid. Turn left onto Adams Street. First right onto Shady Lane. Proceed about ½ mile to parking area on left.

Coordinates for the parking area are: 42°50'37.54"N 71°39'6.53"W
